RESOLUTION NO. 2026-_____

A RESOLUTION BY THE BOARD OF COUNTY COMMISSIONERS OF ST. JOHNS COUNTY, FLORIDA, APPROVING AND AUTHORIZING THE CHAIR, OR DESIGNEE, TO EXECUTE THREE EASEMENTS BETWEEN THE BOARD OF TRUSTEES OF THE INTERNAL IMPROVEMENT TRUST FUND OF THE STATE OF FLORIDA AND ST. JOHNS COUNTY FOR STATE LANDS NECESSARY FOR BEACH RESTORATION PROJECTS.

WHEREAS, St. Johns County was granted three certain Use Agreements for State Lands within the areas of beach restoration projects. Those Use Agreements have expired, and the State now requires the County to enter into three separate 20-year Easement agreements between the Board Of Trustees of The Internal Improvement Trust Fund for the State of Florida and St. Johns County for the ability to transport and place sand onto those State Lands as necessary for beach restoration; and

WHEREAS, the Board of County Commissioners of St. Johns County, Florida, approved the request for the Easements by adoption of Resolution 2025-194 on June 17th, 2025; and

WHEREAS, The Board of Trustees of the Internal Improvement Trust Fund of the State of Florida has presented those Easements to the County for execution by the Chair, or designee, attached hereto as ***Exhibit "A", Exhibit "B",*** and ***Exhibit "C"***, incorporated by reference and made a part hereof; and

WHEREAS, it is in the best interest of St. Johns County to execute and enter into these Easement agreements for the health, safety and welfare of its citizens.

NOW THEREFORE, BE IT RESOLVED by the Board of County Commissioners of St. Johns County, Florida, as follows:

Section 1. The above Recitals are incorporated by reference into the body of this Resolution and such Recitals are adopted as findings of fact.

Section 2. The Board of County Commissioners hereby approves and authorizes the Chair, or designee, to execute the easements shown in ***Exhibit "A", Exhibit "B"***, and ***Exhibit "C"***.

Section 3. To the extent that there are typographical errors that do not change the tone, tenor, or concept of this Resolution, then this Resolution may be revised without subsequent approval by the Board of County Commissioners.

PASSED AND ADOPTED by the Board of County Commissioners of St. Johns County, Florida, this _____ day of _____, 2026.

BOARD OF TRUSTEES OF THE INTERNAL IMPROVEMENT TRUST FUND OF THE STATE OF FLORIDA

EASEMENT

Easement Number 33672

THIS EASEMENT is made and entered into this _____ day of _____, 20___, between the **BOARD OF TRUSTEES OF THE INTERNAL IMPROVEMENT TRUST FUND OF THE STATE OF FLORIDA**, acting pursuant to its authority set forth in Section 253.03, Florida Statutes, hereinafter referred to as "GRANTOR", and **ST. JOHNS COUNTY, FLORIDA,** a political subdivision of the State of Florida, hereinafter referred to as "GRANTEE".

WHEREAS, GRANTOR is the owner of the hereinafter described real property;

WHEREAS, GRANTEE desires an easement across the hereinafter described real property for access and transportation and placement of sand above the mean high-water line as part of a beach nourishment project; and

WHEREAS, the GRANTOR has agreed to the proposed use of the land subject to this easement.

NOW THEREFORE, GRANTOR, for and in consideration of mutual covenants and agreements hereinafter contained, has granted, and by these presents does grant unto GRANTEE, a non-exclusive easement across the following described real property in St. Johns County, Florida, to-wit:

(See Exhibit "A" Attached)(the “Easement Area”)

subject to the following terms and conditions:

1. **DELEGATIONS OF AUTHORITY**: GRANTOR'S responsibilities and obligations herein shall be exercised by the Division of State Lands, State of Florida Department of Environmental Protection.

2. **TERM**: The term of this easement shall be for a period of **20** years commencing on _____ and ending on _____, unless sooner terminated pursuant to the provisions of this easement.

3. **USE OF PROPERTY AND UNDUE WASTE**: During the term of this easement, use of the Easement Area shall be limited to access and transportation and placement of sand above the mean high-water line as part of a beach nourishment project. This easement shall be non-exclusive. GRANTOR retains the right to engage in any activities on, over, below or across the Easement Area which do not unreasonably interfere with GRANTEE'S exercise of this easement and further retains the right to grant compatible uses to third parties during the term of this easement.

GRANTEE shall dispose of, to the satisfaction of GRANTOR, all brush and refuse resulting from the clearing of the Easement Area for the uses authorized hereunder. If timber is removed in connection with clearing this easement, the net proceeds derived from the sale of such timber shall accrue to GRANTOR. GRANTEE shall take all reasonable precautions to control soil erosion and to prevent any other degradation of the Easement Area and adjacent land during the term of this easement. GRANTEE shall not remove water from any source on this easement including, but not limited to, a water course, reservoir, spring, or well, without the prior written approval of GRANTOR. GRANTEE shall clear, remove and pick up all debris including, but not limited to, containers, papers, discarded tools and trash foreign to the work locations and dispose of the same in a satisfactory manner as to leave the work locations clean and free of any such debris. GRANTEE, its agents, successors, or assigns, shall not dispose of any contaminants including, but not limited to, hazardous or toxic substances, chemicals or other agents produced or used in GRANTEE'S operations on this easement or on any adjacent state land or in any manner not permitted by law. GRANTEE shall be liable for all costs associated with any cleanup of the Easement Area and adjacent land which is a result of GRANTEE'S operations and use of the Easement Area.

Upon termination or expiration of this easement GRANTEE shall restore the Easement Area to substantially the same condition it was upon the commencement date. GRANTEE agrees that upon termination or expiration of this easement all authorization granted hereunder shall cease and terminate. If the Easement Area is under lease to another agency, GRANTEE shall obtain the consent of such agency prior to engaging in any use of the Easement Area.

4. **ASSIGNMENT**: This easement shall not be assigned in whole or in part without the prior written consent of GRANTOR. Any assignment made either in whole or in part without the prior written consent of GRANTOR shall be void and without legal effect.

5. **RIGHT OF INSPECTION**: GRANTOR or its duly authorized agents, representatives or employees shall have the right at any and all times to inspect this easement and the works of GRANTEE in any matter pertaining to this easement.

6. **NON-DISCRIMINATION**: GRANTEE shall not discriminate against any individual because of that individual's race, color, religion, sex, national origin, age, handicaps, or marital status with respect to any activity occurring within this easement or upon lands adjacent to and used as an adjunct of this easement.

7. **LIABILITY**: GRANTOR does not warrant or represent that Easement Area is safe or suitable for the purpose for which GRANTEE is permitted to use it, and GRANTEE and its agents, representatives, employees, and independent contractors assume all risks in its use. GRANTEE hereby covenants and agrees to investigate all claims of every nature at its own expense and to indemnify, protect, defend, save and hold harmless GRANTOR and the State of Florida, its officers, agents and employees from any and all damages, claims, costs, expense, including attorney's fees, demands, lawsuits, causes of action or liability of any kind or nature arising out of all personal injury or damages attributable to the negligent acts or omissions of GRANTEE and its agents, officers, and employees. GRANTEE shall contact GRANTOR regarding the legal action deemed appropriate to remedy such damage or claims. The GRANTEE shall maintain a program of insurance covering its liabilities as prescribed by Section 768.28, F.S. Nothing herein shall be construed as a waiver of sovereign immunity enjoyed by any party hereto, as provided in Section 768.28, Florida Statutes, as amended from time to time, or any other law providing limitations on claims. In the event GRANTEE subcontracts any part or all of the work performed in the Easement Area, the GRANTEE shall require each and every subcontractor to identify the GRANTOR as an additional insured on all insurance policies required by the GRANTEE. Any contract awarded by GRANTEE for work in the Easement Area shall include a provision whereby the GRANTEE's subcontractor agrees to indemnify, pay on behalf, and hold the GRANTOR harmless for all injuries and damages arising in connection with the GRANTEE's subcontract.

8. **COMPLIANCE WITH LAWS**: GRANTEE agrees that this easement is contingent upon and subject to GRANTEE obtaining all applicable permits and complying with all applicable permits, regulations, ordinances, rules, and laws of the State of Florida or the United States or of any political subdivision or agency of either.

9. **ARCHAEOLOGICAL AND HISTORIC SITES**: Execution of this easement in no way affects any of the parties' obligations pursuant to Chapter 267, Florida Statutes. The collection of artifacts or the disturbance of archaeological and historic sites on state-owned lands is prohibited unless prior authorization has been obtained from the State of Florida Department of State, Division of Historical Resources.

10. **PROHIBITIONS AGAINST LIENS OR OTHER ENCUMBRANCES**: Fee title to the lands underlying this easement is held by GRANTOR. GRANTEE shall not do or permit anything to be done which purports to create a lien or

encumbrance of any nature against the real property of GRANTOR including, but not limited to, mortgages or construction liens against the real property described in Exhibit "A" or against any interest of GRANTOR therein.

11. **PARTIAL INVALIDITY**: If any term, covenant, condition or provision of this easement shall be ruled by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

12. **SOVEREIGNTY SUBMERGED LANDS**: This easement does not authorize the use of any lands located waterward of the mean or ordinary high water line of any lake, river, stream, creek, bay, estuary, or other water body or the waters or the air space there above.

13. **ENTIRE UNDERSTANDING**: This easement sets forth the entire understanding between the parties and shall only be amended with the prior written approval of GRANTOR.

14. **TIME**: Time is expressly declared to be of the essence of this easement.

15. **RIGHT OF AUDIT**: GRANTEE shall make available to GRANTOR all financial and other records relating to this easement and GRANTOR shall have the right to audit such records at any reasonable time during the term of this easement. This right shall be continuous until this easement expires or is terminated. This easement may be terminated by GRANTOR should GRANTEE fail to allow public access to all documents, papers, letters or other materials made or received in conjunction with this easement, pursuant to Chapter 119, Florida Statutes.

16. **PAYMENT OF TAXES AND ASSESSMENTS**: GRANTEE shall assume full responsibility for and shall pay all liabilities that accrue to the Easement Area or to the improvements thereon including any and all drainage and special assessments or taxes of every kind and all mechanic's or materialman's liens which may be hereafter lawfully assessed and levied against this easement.

17. **AUTOMATIC REVERSION**: This easement is subject to an automatic termination and reversion to GRANTOR when, in the opinion of GRANTOR, this easement is not used for the purposes outlined herein, and any costs or expenses arising out of the implementation of this clause shall be borne completely, wholly and entirely by GRANTEE, including attorneys' fees.

18. **RECORDING OF EASEMENT**: GRANTEE, at its own expense, shall record this fully executed easement in its entirety in the public records of the county within which the easement site is located within fourteen days after receipt, and shall provide to the GRANTOR within ten days following the recordation a copy of the recorded easement in its entirety which contains the O.R. Book and Pages at which the easement is recorded. Failure to comply with this paragraph shall constitute grounds for immediate termination of this easement agreement at the option of the GRANTOR.

19. **GOVERNING LAW**: This easement shall be governed by and interpreted according to the laws of the State of Florida.

20. **SECTION CAPTIONS**: Articles, subsections and other captions contained in this easement are for reference purposes only and are in no way intended to describe, interpret, define or limit the scope, extent or intent of this easement or any provisions thereof.

EASEMENT

Easement Number 33673

THIS EASEMENT is made and entered into this _____ day of _____, 20___, between the **BOARD OF TRUSTEES OF THE INTERNAL IMPROVEMENT TRUST FUND OF THE STATE OF FLORIDA**, acting pursuant to its authority set forth in Section 253.03, Florida Statutes, hereinafter referred to as "GRANTOR", and **ST. JOHNS COUNTY, FLORIDA,** a political subdivision of the State of Florida, hereinafter referred to as "GRANTEE".

WHEREAS, GRANTOR is the owner of the hereinafter described real property, which is managed as part of Anastasia State Park ("Park") by the State of Florida Department of Environmental Protection, Division of Recreation and Parks under Lease Number 3608 ("managing agency"); and

WHEREAS, GRANTEE desires an easement across the hereinafter described real property for access and transportation and placement of sand above the mean high-water line as part of a beach nourishment project; and

WHEREAS, the GRANTOR has agreed to the proposed use of the land subject to this easement.

NOW THEREFORE, GRANTOR, for and in consideration of mutual covenants and agreements hereinafter contained, has granted, and by these presents does grant unto GRANTEE, a non-exclusive easement across the following described real property in St. Johns County, Florida, to-wit:

(See Exhibit "A" Attached)(the “Easement Area”)

subject to the following terms and conditions:

1. **DELEGATIONS OF AUTHORITY**: GRANTOR'S responsibilities and obligations herein shall be exercised by the Division of State Lands, State of Florida Department of Environmental Protection.

2. **TERM**: The term of this easement shall be for a period of **20** years commencing on _____ and ending on _____, unless sooner terminated pursuant to the provisions of this easement.

3. **USE OF PROPERTY AND UNDUE WASTE**: During the term of this easement, use of the Easement Area shall be limited to access and transportation and placement of sand above the mean high-water line as part of a beach nourishment project. GRANTEE shall contact GRANTOR regarding the legal action deemed appropriate to remedy such damage or claims. The GRANTEE shall maintain a program of insurance covering its liabilities as prescribed by Section 768.28, F.S. Nothing herein shall be construed as a waiver of sovereign immunity enjoyed by any party hereto, as provided in Section 768.28, Florida Statutes, as amended from time to time, or any other law providing limitations on claims. In the event GRANTEE subcontracts any part or all of the work performed in the Easement Area, the GRANTEE shall require each and every subcontractor to identify the GRANTOR as an additional insured on all insurance policies required by the GRANTEE. Any contract awarded by GRANTEE for work in the Easement Area shall include a provision whereby the GRANTEE's subcontractor agrees to indemnify, pay on behalf, and hold the GRANTOR harmless for all injuries and damages arising in connection with the GRANTEE's subcontract.

8. **COMPLIANCE WITH LAWS**: GRANTEE agrees that this easement is contingent upon and subject to GRANTEE obtaining all applicable permits and complying with all applicable permits, regulations, ordinances, rules, and laws of the State of Florida or the United States or of any political subdivision or agency of either.

9. **ARCHAEOLOGICAL AND HISTORIC SITES**: Execution of this easement in no way affects any of the parties' obligations pursuant to Chapter 267, Florida Statutes. The collection of artifacts or the disturbance of archaeological and historic sites on state-owned lands is prohibited unless prior authorization has been obtained from the State of Florida Department of State, Division of Historical Resources.

10. **PROHIBITIONS AGAINST LIENS OR OTHER ENCUMBRANCES**: Fee title to the lands underlying this easement is held by GRANTOR. GRANTEE shall not do or permit anything to be done which purports to create a lien or

encumbrance of any nature against the real property of GRANTOR including, but not limited to, mortgages or construction liens against the real property described in Exhibit "A" or against any interest of GRANTOR therein.

11. **PARTIAL INVALIDITY**: If any term, covenant, condition or provision of this easement shall be ruled by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

12. **SOVEREIGNTY SUBMERGED LANDS**: This easement does not authorize the use of any lands located waterward of the mean or ordinary high water line of any lake, river, stream, creek, bay, estuary, or other water body or the waters or the air space there above.

13. **ENTIRE UNDERSTANDING**: This easement sets forth the entire understanding between the parties and shall only be amended with the prior written approval of GRANTOR.

14. **TIME**: Time is expressly declared to be of the essence of this easement.

15. **RIGHT OF AUDIT**: GRANTEE shall make available to GRANTOR all financial and other records relating to this easement and GRANTOR shall have the right to audit such records at any reasonable time during the term of this easement. This right shall be continuous until this easement expires or is terminated. This easement may be terminated by GRANTOR should GRANTEE fail to allow public access to all documents, papers, letters or other materials made or received in conjunction with this easement, pursuant to Chapter 119, Florida Statutes.

16. **PAYMENT OF TAXES AND ASSESSMENTS**: GRANTEE shall assume full responsibility for and shall pay all liabilities that accrue to the Easement Area or to the improvements thereon including any and all drainage and special assessments or taxes of every kind and all mechanic's or materialman's liens which may be hereafter lawfully assessed and levied against this easement.

17. **AUTOMATIC REVERSION**: This easement is subject to an automatic termination and reversion to GRANTOR when, in the opinion of GRANTOR, this easement is not used for the purposes outlined herein, and any costs or expenses arising out of the implementation of this clause shall be borne completely, wholly and entirely by GRANTEE, including attorneys' fees.

18. **RECORDING OF EASEMENT**: GRANTEE, at its own expense, shall record this fully executed easement in its entirety in the public records of the county within which the easement site is located within fourteen days after receipt, and shall provide to the GRANTOR within ten days following the recordation a copy of the recorded easement in its entirety which contains the O.R. Book and Pages at which the easement is recorded. Failure to comply with this paragraph shall constitute grounds for immediate termination of this easement agreement at the option of the GRANTOR.

19. **GOVERNING LAW**: This easement shall be governed by and interpreted according to the laws of the State of Florida.

20. **SECTION CAPTIONS**: Articles, subsections and other captions contained in this easement are for reference purposes only and are in no way intended to describe, interpret, define or limit the scope, extent or intent of this easement or any provisions thereof.

21. **SPECIAL CONDITIONS**: The following special conditions shall apply to this easement:

A. GRANTEE shall meet for a pre-work conference with the manager of the Park ("Park Manager") within two (2) weeks after the project has been awarded and weekly meetings during the sand placement and dredging to discuss these and any other issues that may arise, including visitor safety, and resource management.

B. GRANTEE shall notify the Park Manager at least three (3) weeks prior to mobilizing equipment and piping so that the protected Anastasia Island Beach Mouse trapping can be completed in the impacted areas.

C. GRANTEE shall notify the Park Manager twenty-four (24) hours in advance before commencing pumping operations or changing staging areas.

D. GRANTEE shall meet with the Park Manager regarding after-hour permits for entering the Easement Area after Park operating hours.

E. GRANTEE shall assist with the protection of Park facilities, natural communities, and other natural resources by accessing the Park at the points designated by the Park Manager and driving only on those areas of beach as identified by the Park Manager.

F. GRANTEE shall keep fuel and other poisonous, hazardous, or flammable liquids, and powders in a double walled container with a catch basin, and conduct refueling operations within approved staging area only.

G. GRANTEE shall establish a safe zone by providing signage and fencing as needed to prevent access to the Easement Area worked by heavy equipment.

H. GRANTEE shall follow the Park Manager's instructions concerning Park rules with special regards to protection of the Park’s plants, animals, vehicular traffic and visitors. Take all necessary safety measures as determined by the Park Manager to ensure the safety of Park visitors during all dredging and fill processes.

I. GRANTEE shall provide and maintain crossings for vehicular and pedestrian access over sections of the Easement Area, if needed. The number of crossings and locations will be determined on site by GRANTEE and the Park Manager prior to the project award. However, once the project has begun, additional crossings or underpasses for shorebirds may

be required, if shorebirds nest and fledge their young on the landward side of the Easement Area. GRANTEE agrees to cooperate with the Park Manager to determine where the additional crossings and underpasses will go.

J. GRANTEE shall work cooperatively with the Park Manager and the managing agency's district biologists to resolve issues regarding safety, access, or environmental concerns resulting from this project.

K. GRANTEE shall not undertake any activity within 200 feet of nesting shorebirds, including, but not limited to, least terns and Wilson's plovers.

L. Prior to laying the pipeline or storing materials and equipment on the Easement Area, GRANTEE shall survey between the frontal dune and Salt Run in the vicinity of proposed pipeline placement or stockpile areas to document existing grade and vegetation. Damages caused by the installation or removal of the pipeline, or by breach of the pipeline during sediment pumping operations, shall be restored by GRANTEE with all affected areas restored to pre-existing conditions. This may include removal of accidentally deposited materials, restoring grade, and planting native vegetation in the areas of damage.

M. GRANTEE shall ensure that access to the Park or any portion of the Park is not disrupted while construction is underway or at any time during the term of this easement. In the event, due to the nature of activities related to the project, it becomes necessary to disrupt access to the Park or a portion of the Park for a limited period of time, GRANTEE, at its sole cost and expense, shall provide reasonable alternative access to the disrupted areas.

N. GRANTEE shall keep all equipment, work materials and workers no less than 15 feet seaward from the toe of the primary dune at all times.

O. GRANTEE shall stop work in the event the Park Manager observes conditions in which the general public or cultural and natural resources are deemed to be in imminent danger. GRANTEE shall be instructed by the Park Manager to stop work on that particular activity. However, the Park Manager may only stop that particular activity which is the source of danger and not the entire operation. The Park Manager will also notify GRANTEE'S contracting officer or project manager if such an event should occur.

BOARD OF TRUSTEES OF THE INTERNAL IMPROVEMENT TRUST FUND OF THE STATE OF FLORIDA

EASEMENT

Easement Number 33674

THIS EASEMENT is made and entered into this _____ day of _____, 20___, between the **BOARD OF TRUSTEES OF THE INTERNAL IMPROVEMENT TRUST FUND OF THE STATE OF FLORIDA**, acting pursuant to its authority set forth in Section 253.03, Florida Statutes, hereinafter referred to as "GRANTOR", and **ST. JOHNS COUNTY, FLORIDA,** a political subdivision of the State of Florida, hereinafter referred to as "GRANTEE".

WHEREAS, GRANTOR is the owner of the hereinafter described real property, which is managed by the Florida Department of Environmental Protection, Office of Resilience and Coastal Protection under Lease Number 3462 ("managing agency"); and

WHEREAS, GRANTEE desires an easement across the hereinafter described real property for access and transportation and placement of sand above the mean high-water line as part of a beach nourishment project; and

WHEREAS, the GRANTOR has agreed to the proposed use of the land subject to this easement.

NOW THEREFORE, GRANTOR, for and in consideration of mutual covenants and agreements hereinafter contained, has granted, and by these presents does grant unto GRANTEE, a non-exclusive easement across the following described real property in St. Johns County, Florida, to-wit:

(See Exhibit "A" Attached)(the "Easement Area")

subject to the following terms and conditions:

1. **DELEGATIONS OF AUTHORITY**: GRANTOR'S responsibilities and obligations herein shall be exercised by the Division of State Lands, State of Florida Department of Environmental Protection.

2. **TERM**: The term of this easement shall be for a period of **20** years commencing on _____ and ending on _____, unless sooner terminated pursuant to the provisions of this easement.

3. **USE OF PROPERTY AND UNDUE WASTE**: During the term of this easement, use of the Easement Area shall be limited to access and transportation and placement of sand above the mean high water line as part of a beach nourishment project. This easement shall be non-exclusive. GRANTOR retains the right to engage in any activities on, over, below or across the Easement Area which do not unreasonably interfere with GRANTEE'S exercise of this easement and further retains the right to grant compatible uses to third parties during the term of this easement.

GRANTEE shall dispose of, to the satisfaction of GRANTOR, all brush and refuse resulting from the clearing of the Easement Area for the uses authorized hereunder. If timber is removed in connection with clearing this easement, the net proceeds derived from the sale of such timber shall accrue to GRANTOR. GRANTEE shall take all reasonable precautions to control soil erosion and to prevent any other degradation of the Easement Area and adjacent land during the term of this easement. GRANTEE shall not remove water from any source on this easement including, but not limited to, a water course, reservoir, spring, or well, without the prior written approval of GRANTOR. GRANTEE shall clear, remove and pick up all debris including, but not limited to, containers, papers, discarded tools and trash foreign to the work locations and dispose of the same in a satisfactory manner as to leave the work locations clean and free of any such debris. GRANTEE, its agents, successors, or assigns, shall not dispose of any contaminants including, but not limited to, hazardous or toxic substances, chemicals or other agents produced or used in GRANTEE'S operations on this easement or on any adjacent state land or in any manner not permitted by law. GRANTEE shall be liable for all costs associated with any cleanup of the Easement Area and adjacent land which is a result of GRANTEE'S operations and use of the Easement Area.

Upon termination or expiration of this easement GRANTEE shall restore the Easement Area to substantially the same condition it was upon the commencement date. GRANTEE agrees that upon termination or expiration of this easement all authorization granted hereunder shall cease and terminate. If the Easement Area is under lease to another agency, GRANTEE shall obtain the consent of such agency prior to engaging in any use of the Easement Area.

4. **ASSIGNMENT**: This easement shall not be assigned in whole or in part without the prior written consent of GRANTOR. Any assignment made either in whole or in part without the prior written consent of GRANTOR shall be void and without legal effect.

5. **RIGHT OF INSPECTION**: GRANTOR or its duly authorized agents, representatives or employees shall have the right at any and all times to inspect this easement and the works of GRANTEE in any matter pertaining to this easement.

6. **NON-DISCRIMINATION**: GRANTEE shall not discriminate against any individual because of that individual's race, color, religion, sex, national origin, age, handicaps, or marital status with respect to any activity occurring within this easement or upon lands adjacent to and used as an adjunct of this easement.

7. **LIABILITY**: GRANTOR does not warrant or represent that Easement Area is safe or suitable for the purpose for which GRANTEE is permitted to use it, and GRANTEE and its agents, representatives, employees, and independent contractors assume all risks in its use. GRANTEE hereby covenants and agrees to investigate all claims of every nature at its own expense and to indemnify, protect, defend, save and hold harmless GRANTOR and the State of Florida, its officers, agents and employees from any and all damages, claims, costs, expense, including attorney's fees, demands, lawsuits, causes of action or liability of any kind or nature arising out of all personal injury or damages attributable to the negligent acts or omissions of GRANTEE and its agents, officers, and employees. GRANTEE shall contact GRANTOR regarding the legal action deemed appropriate to remedy such damage or claims. The GRANTEE shall maintain a program of insurance covering its liabilities as prescribed by Section 768.28, F.S. Nothing herein shall be construed as a waiver of sovereign immunity enjoyed by any party hereto, as provided in Section 768.28, Florida Statutes, as amended from time to time, or any other law providing limitations on claims. In the event GRANTEE subcontracts any part or all of the work performed in the Easement Area, the GRANTEE shall require each and every subcontractor to identify the GRANTOR as an additional insured on all insurance policies required by the GRANTEE. Any contract awarded by GRANTEE for work in the Easement Area shall include a provision whereby the GRANTEE's subcontractor agrees to indemnify, pay on behalf, and hold the GRANTOR harmless for all injuries and damages arising in connection with the GRANTEE's subcontract.

8. **COMPLIANCE WITH LAWS**: GRANTEE agrees that this easement is contingent upon and subject to GRANTEE obtaining all applicable permits and complying with all applicable permits, regulations, ordinances, rules, and laws of the State of Florida or the United States or of any political subdivision or agency of either.

9. **ARCHAEOLOGICAL AND HISTORIC SITES**: Execution of this easement in no way affects any of the parties' obligations pursuant to Chapter 267, Florida Statutes. The collection of artifacts or the disturbance of archaeological and historic sites on state-owned lands is prohibited unless prior authorization has been obtained from the State of Florida Department of State, Division of Historical Resources.

10. **PROHIBITIONS AGAINST LIENS OR OTHER ENCUMBRANCES**: Fee title to the lands underlying this easement is held by GRANTOR. GRANTEE shall not do or permit anything to be done which purports to create a lien or

encumbrance of any nature against the real property of GRANTOR including, but not limited to, mortgages or construction liens against the real property described in Exhibit "A" or against any interest of GRANTOR therein.

11. **PARTIAL INVALIDITY**: If any term, covenant, condition or provision of this easement shall be ruled by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

12. **SOVEREIGNTY SUBMERGED LANDS**: This easement does not authorize the use of any lands located waterward of the mean or ordinary high water line of any lake, river, stream, creek, bay, estuary, or other water body or the waters or the air space there above.

13. **ENTIRE UNDERSTANDING**: This easement sets forth the entire understanding between the parties and shall only be amended with the prior written approval of GRANTOR.

14. **TIME**: Time is expressly declared to be of the essence of this easement.

15. **RIGHT OF AUDIT**: GRANTEE shall make available to GRANTOR all financial and other records relating to this easement and GRANTOR shall have the right to audit such records at any reasonable time during the term of this easement. This right shall be continuous until this easement expires or is terminated. This easement may be terminated by GRANTOR should GRANTEE fail to allow public access to all documents, papers, letters or other materials made or received in conjunction with this easement, pursuant to Chapter 119, Florida Statutes.

16. **PAYMENT OF TAXES AND ASSESSMENTS**: GRANTEE shall assume full responsibility for and shall pay all liabilities that accrue to the Easement Area or to the improvements thereon including any and all drainage and special assessments or taxes of every kind and all mechanic's or materialman's liens which may be hereafter lawfully assessed and levied against this easement.

17. **AUTOMATIC REVERSION**: This easement is subject to an automatic termination and reversion to GRANTOR when, in the opinion of GRANTOR, this easement is not used for the purposes outlined herein, and any costs or expenses arising out of the implementation of this clause shall be borne completely, wholly and entirely by GRANTEE, including attorneys' fees.

18. **RECORDING OF EASEMENT**: GRANTEE, at its own expense, shall record this fully executed easement in its entirety in the public records of the county within which the easement site is located within fourteen days after receipt, and shall provide to the GRANTOR within ten days following the recordation a copy of the recorded easement in its entirety which contains the O.R. Book and Pages at which the easement is recorded. Failure to comply with this paragraph shall constitute grounds for immediate termination of this easement agreement at the option of the GRANTOR.

19. **GOVERNING LAW**: This easement shall be governed by and interpreted according to the laws of the State of Florida.

20. **SECTION CAPTIONS**: Articles, subsections and other captions contained in this easement are for reference purposes only and are in no way intended to describe, interpret, define or limit the scope, extent or intent of this easement or any provisions thereof.
