I was born and raised in Ponte Vedra Beach, but I have also lived in three other states over the last decade (including Arizona, North Carolina, and Vermont). I recently moved back to Ponte Vedra Beach with my husband, and I am looking for opportunities to offer my experience and skillset to improve community outcomes. I currently work full-time as a contractor for the federal government, managing large contracts that provide professional services to a wide variety of government agencies. I have worked with local, state, and federal governments so I understand the unique challenges of navigating the public landscape. Additionally, I bring the perspective of a young professional, which is a demographic often overlooked in St. Johns County. I appreciate the opportunity to be considered for a role on any of the boards indicated. Thank you.
