IN AND FOR ST. JOHNS COUNTY, FLORIDA

STATE OF FLORIDA

Case No.: _____

v.

Citation No.: _____

DRIVER IMPROVEMENT SCHOOL ELECTION

READ BELOW TO DETERMINE IF YOU ARE ELIGIBLE FOR THIS OPTION:

- You do not hold a Commercial Driver's License
- Have not elected the school option within the last 12 months
- Have not elected the school option five (5) times within your lifetime
- Your traffic ticket is not for speeding 30 or more miles over the speed limit
- Your traffic ticket is not for an accident involving serious bodily injury or fatality

If you are eligible for the school option, the base fine will be reduced by 18% as governed by Florida Statute 318.14. (Some violations are not eligible for the reduction) You may elect a 4-Hour BDI (Basic Driver Improvement) course approved by the Florida Department of Highway Safety and Motor Vehicles. If you reside in a state other than Florida, you must contact your State Department of Motor Vehicles, to ensure points will be withheld. (We will not accept school completions unless they are approved by the state of Florida.) Please do not contact the clerk's office for school recommendations as we are not permitted to endorse schools. To find online Florida state approved BDI courses, please visit <http://www.flhsmv.gov> and search for school providers. School must be completed, and proof of completion provided to the Clerk's office within 60 days. If I fail to complete the school within sixty (60) days of electing this option, I understand the election will still count, adjudication of guilt and points will be assessed. I will be required to pay back the original reduction amount, a \$23 late fee, \$18 service fee and possible driver license suspension.

ELECTING THIS OPTION WHEN NOT ELIGIBLE:

I understand that adjudication of guilt and points will be assessed. I will be required to pay back the original reduction amount, a \$23 late fee, \$18 service fee and driver license suspension by the state of Florida.
