What is the difference between having a criminal history record sealed vs. expunged?

When a criminal history record is sealed, the public will not have access to it. Certain governmental or related entities, primarily those listed in s. 943.059(4)(a), Florida Statutes, have access to sealed record information in its entirety.

When a record has been expunged, those entities which would have access to a sealed record will be informed that the subject of the record has had a record expunged, but would not have access to the record itself without a court order. All they would receive is a caveat statement indicating that "Criminal Information has been Expunged from this Record".

Entities That Get Sealed And Expunged Records

The subject of a criminal history record sealed under this section or under other provisions of law, including former s.893.14, former s.901.33, and former s.943.058, may lawfully deny or fail to acknowledge the arrests covered by the sealed record, except when the subject of the record:

1. Is a candidate for employment with a criminal justice agency;
2. Is a defendant in a criminal prosecution;
3. Concurrently or subsequently petitions for relief under [s.943.0585](#) or [s.943.059](#);
4. Is a candidate for admission to The Florida Bar;
5. Is seeking to be employed or licensed by or to contract with the Department of Children and Family Services, the Division of Vocational Rehabilitation within the Department of Education, the Agency for Health Care Administration, the Agency for Persons with Disabilities, the Department of Health, the Department of Elderly Affairs, or the Department of Juvenile Justice or to be employed or used by such contractor or licensee in a sensitive position having direct contact with children, the disabled, or the elderly;
6. Is seeking to be employed or licensed by the Department of Education, any district school board, any university laboratory school, any charter school, any private or parochial school, or any local governmental entity that licenses child care facilities; or
7. Is seeking authorization from a Florida seaport identified in s.311.09 F.S. for employment within or access to one or more of such seaports pursuant to s.311.12 F.S. or s.311.125 F.S.
8. Is attempting to purchase a firearm from a licensed importer, licensed manufacturer, or licensed dealer and is the subject to a criminal history background check under state or federal law. Firearm purchase program Tel: 850-410-8139.

When the record is expunged the agency will only receive the subject's demographic information and a caveat statement that criminal history information has been expunged, but will be unable to receive the details.
